An apple a day keeps the doctor away

First come, first served

Practice makes perfect

Don't put all your eggs in one basket

A stitch in time saves nine

Action speaks louder than words

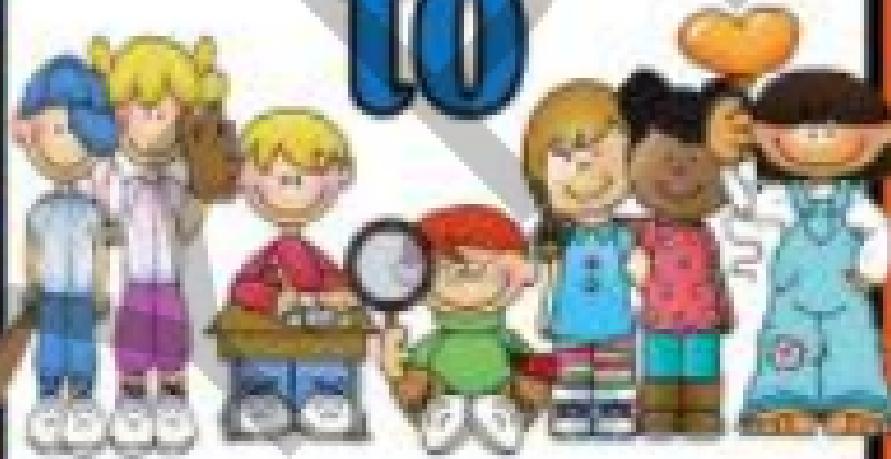

A penny saved is a penny earned

The early bird catches the worm

Eat to live, but do not live to eat

Empty vessels make the most noise

# PARTS OF SPEECH

## Noun

A noun is the name of a person, place, or thing.

## Adjective

An adjective describes a noun or pronoun by telling what kind, how many, or where something is.

## Verb

A verb is a action word, telling what someone or something is doing.

## Pronoun

A pronoun is another word that takes the place of a noun or noun phrase.

## Article

The articles are used to tell which noun or noun phrase is being talked about.

## Adverb

An adverb describes a verb, telling how, when, where, or why something happened.

## Preposition

A preposition connects words in many different ways, such as explaining how, where, when, or why something happened.

## Conjunction

Conjunctions connect words, groups of words, or sentences.

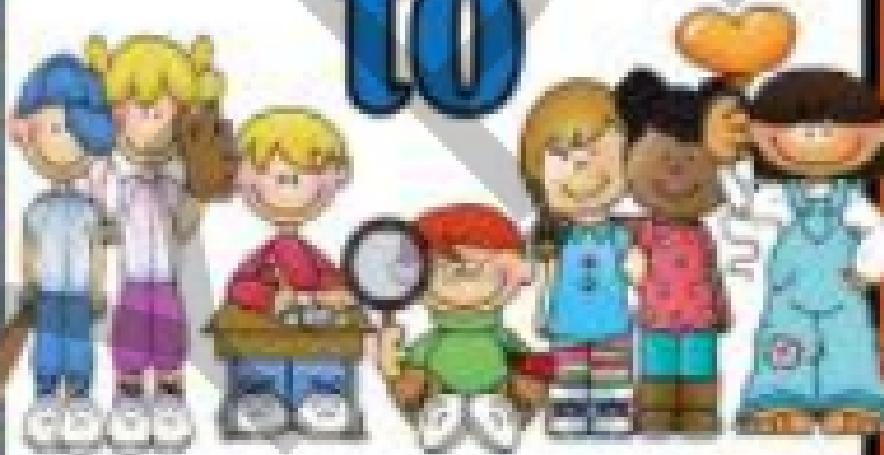

## Interjection

An interjection expresses strong feeling or emotion. An exclamation can be a single word or a phrase.

The boy yelled, "Help!" and  
brave dog quickly ran to it.
